Dear Potential Sponsor,

Covid -19 has been difficult for everyone, and distance learning is exceptionally hard on individuals with autism and their families. For the last ten years, iTaalk has been devoted in getting iPads to individuals with autism with the purpose of encouraging independence and improving communication, and in early September we opened an iPad grant cycle. To date, we have had a 400% increase in the amount of applications traditionally received. We would love to be able to grant iPads to all the qualifying applicants, but we need additional funding to meet this goal. We currently have funding for 50 of 100 applications.

We are reaching out to you as a local business owner for your help. It costs us \$500 to \$750 per recipient, this includes the iPad, case, insurance and apps/software.

To date, we have received requests from families in 20 counties all over Ohio. Will you help us meet this need? We can assure you that your contribution will help a family within 100 miles from your location.

Yes, I will sponsor:

_____ iPad Grant(s) X \$500 for a total donation of _____.
(Total iPads) (Total \$ of Donation)

I would like to give a different amount:

_____.

Please make checks payable to: iTaalk Autism Foundation and mail to:

Thank you for any help and support. In addition to financial donations, we do accept gently used iPads, iPhones and iPad minis. iTaalk is a 501(c)3 Non-Profit Foundation.

Warm regards,
Tammy C Eisenreich
